**Date: 9 May 2007**  
**Title: WALLET RETURNED**

I WAS on SBS No. 162 (SBS 2801 T) on April 26 at about 12.05pm travelling along Robinson Road. My colleague had dropped her pouch containing her wallet near the front of the bus when she boarded. The driver (sorry we didn't get his name) retrieved it and returned it to her.
