

INVESTOR RELATIONS

We are committed to disseminating accurate and pertinent information to the market in a timely manner as part of good corporate governance. Our Investor Relations (IR) programme balances regular, effective and fair communications with Shareholders and the investment community with the need to safeguard commercial sensitivities. The IR team works closely with Senior Management to proactively carry out this engagement programme. Feedback and views gathered are regularly reported to Senior Management and the Board of Directors.

Proactive Communications

During the year, the IR team addressed queries from investors through emails, telephone calls and the online enquiry form.

Shareholders have the opportunity to interact with the Board and Senior Management at our Annual General Meeting. Voting is by way of electronic polling for greater transparency in the voting process and the detailed results are announced immediately at the Meeting and subsequently released to the Singapore Exchange.

All material announcements are posted in the IR section of the corporate website to ensure equal and timely access to information.

Singapore-Centric Shareholder Base

Our shareholder base consists mainly of institutional and retail investors based in Singapore and Asia with ComfortDelGro Corporation holding a majority stake.
