The Shenton Way Bus Terminal will be relocated to Shenton Way with effect from Sunday, 25 June 2017. Nine existing bus services - 70, 107, 128, 130, 133, 162, 186, 400 and 402 - will continue to operate from the new relocated Terminal. With the relocation, the existing pair of bus stops (03211 and 03219) along Palmer Road will be permanently closed. As there will be no alighting activities conducted at this new Terminal, the last alighting stop will be along Shenton Way, opposite the MAS Building (03218).
